[REDACTED], our only comment would be regards para 2.8.

It needs to read - 6.28 Hampshire County Council (the Local Education Authority) have advised that having considered the housing proposals in the Neighbourhood Plan, no new schools ~~accommodation~~ would be needed to serve the town and that growth in pupil numbers can be accommodated by expansion of the existing schools in the New Milton education planning area.

This Neighbourhood Plan looks OK but the wording of 6.28 needs changing. At present it reads as if no new school accommodation would be needed. If we can change the wording slightly as attached we are good to go:

Subject: New Milton Pre-Submission Neighbourhood Plan Consultation

Colleagues,

New Milton Town Council have published the New Milton Pre-Submission Neighbourhood Plan for consultation. You may remember being asked for initial comments on a draft version of this Neighbourhood Plan in November 2017 and I attach the HCC response from December 2017 for reference.

Further details and supporting documents can be found here:
<http://www.newmiltonplan.org.uk/>

If you have comments that you wish to be included as part of the County Council's response to this consultation, please forward it to our Planning Consultations email address (planningconsultations@hants.gov.uk) by **Monday 30th April 2018**. It is important that sufficient time is allowed for comments to be considered and therefore comments received after this deadline may not be considered.

If you have any queries, please do not hesitate to contact either myself or Pete Drake.
