1. Cllr Clarke welcomed all to the meeting.
  
2. Update on NFDC Local Plan meetings with Site Promoters
  - a. While the rCOH and the N Plan waited for the outcome of the March Survey to confirm its direction, Steve, Alvin and Claire were attending NFDC Local Plan meetings so there would be a presence from the N Plan.
  - b. Steve updated the group on the various sites.
  
3. Task Groups contextual policy development
  - a. All the Task Groups had met and contextual policy reports were nearing completion ready to send to rCOH for the next stage of N Plan work with Site Promoters.
  - b. The leader for each Group gave a summary of the contextual policy areas
    - i. Demographics and strategic housing proposals- Claire/Steve
    - ii. Connectivity and green space- Stephen
    - iii. Town centre and Old Milton- Julia
    - iv. Economics and Smart Town- Suna
    - v. Social Infra-structure – Tim
  
4. March consultation update – Suna
  - a. Suna presented the draft survey questionnaire designed with rCOH advice
  - b. The aim of the survey was to gauge public support for the vision to seek to shift the demographic by building more homes for young people, as well as specifically asking if exploring Site K and town centre re-development would be supported.
  - c. A contract was being let to deliver to every household within the Parish.
  
5. Other issues
  - a. Budget – Keith Craze discussed options for setting out a broad budget for the Plan
  - b. Website- it was noted that the website was not being actively updated and social media not actively engaged due to lack of resources- but a resolution to this problem wasn't forthcoming.

NEXT MEETING – to be confirmed
